

ACCOMPLISHMENTS

- Co-Sponsor of August 15, 2014 Emergency Preparedness Event held at Leland Elementary School.
- Transportation Committee: Since its inception of January 2014, the committee has tackled the issues of bike lanes and sharrows, Alma street resurfacing, Paseo Del Mar traffic calming measures as well as meeting with the Council Office and Department of Transportation regarding new stop lights at 25th Street and Moray as well as White Point Drive and 25th Street. At our monthly stakeholders meeting, Mr. Scott Greene from MTA attended to listen to community concerns regarding public transportation in the Coastal Community.
