locally listening & leading ...

June 28, 2017  
Ambassador Vilma Martinez  
President, Board of Harbor Commissioners  
Port of Los Angeles Administration Building  
425 S. Palos Verdes Street  
San Pedro, CA 90731

Dear Ambassador Martinez

On behalf of the Coastal San Pedro Neighborhood Council we would like to respectfully request that the comment period on the China Shipping Supplemental EIR be extended. Currently the opportunity for public comment will be held on July 18, 2017. Since our board meeting will not occur until July 17 we will not have the needed time to take our own position on this important subject.

This is a subject of major interest to the residents of the Coast San Pedro area and we believe all the areas.

Thank you for your Consideration.

Sincerely,

Adele Healy  
President  
CSPNC
