At the February 2021 meeting of the Coastal San Pedro Neighborhood Council the Governing Board approved the following resolution:

Be It Resolved that the Coastal San Pedro Neighborhood Council supports the Proposed Freedom of the Seas Park Pavilion/USS Iowa project in concept and strongly urges consulting with someone who has expertise in coastal vegetation/habitat, such as the South Bay chapter of the California Native Plant Society or the Palos Verdes Peninsula Land Conservancy, (or a landscape designer approved by those organizations), since native vegetation in our local coastal habitat is not simply generic California vegetation.

If you have any questions related to this letter, please contact Board Member Noel Gould at 310-625-1157.

Sincerely,

Doug Epperhart, President
On behalf of the Coastal San Pedro Neighborhood Council Board
