- 4) Report and discussion by the Council Office regarding existing funding sources for the re-opening of Sunken City to public lateral access including how Quimby fees have been allocated over the past ten years and any other funding sources that can be utilized for this purpose.
- 5) Presentation by Joleen Deatherage regarding the following with discussion and possible motion: As part of the early waterfront redevelopment, Battleship IOWA Museum included a plan to create "Liberty Point & Veterans Park" - a maritime ship-themed park pier side of the USS IOWA, which was part of the relocation of the ship. The goal is to recognize Surface Navy veterans as well as our local veterans, and provide high-quality public access experiences to our community and visitors to the waterfront.
